

Jagoinvestor Workshop in Mumbai on 17th May 2015

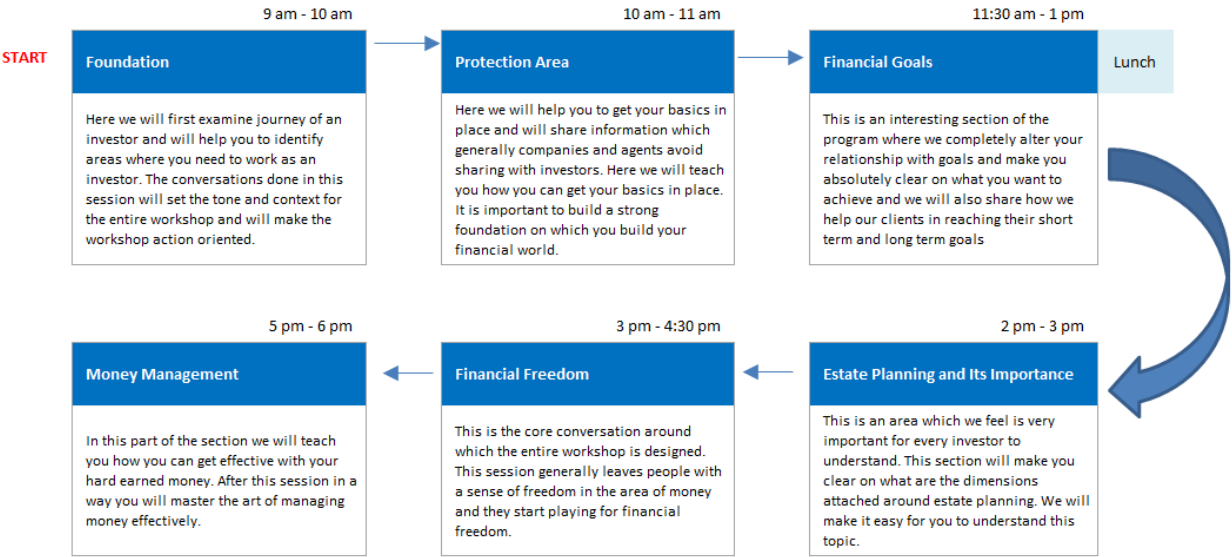

Jagoinvestor conducts workshop called, “Design your financial life” in some of the selected cities. Till now around 500+ people have participated in our workshop and corporate programs. The whole idea behind conducting such workshop is to connect with some of our readers at a deeper level and to CREATE a learning experience for them around money management.

We will not just talk about numbers or products but will actually help you in enhancing your thinking and commitment level so that you can get in control of your financial life. There will be lot of interactions, some group exercises and powerful conversations which will give your financial life a whole new shape and direction. The program is designed in such a way that there is something for all kinds of investors.
